

*At JFM Logistics, we are more than just a transport and warehousing provider – we are a full-service logistics partner with extensive container depot facilities in Cape Town and Port Elizabeth.*

# INTRODUCTION TO JFM LOGISTICS' TEAM

JFM Logistics is a dynamic, solutions-driven logistics company committed to delivering efficient, reliable, and cost-effective supply chain services across South Africa. With a strong national footprint and a highly experienced team, we pride ourselves on our ability to adapt to our clients' unique operational requirements while maintaining the highest standards of service delivery.

Our services span transport, warehousing, container depot management, tracking and tracing, and specialised logistics solutions. Each division is supported by dedicated teams focused on operational excellence, compliance, and customer satisfaction, ensuring seamless end-to-end supply chain management.

Backed by strategically located facilities and a hands-on management approach, JFM Logistics ensures effective coordination across all aspects of the logistics process — from initial planning and execution through to final delivery.

At the heart of our success is our people. Our team consists of skilled professionals across multiple disciplines who work collaboratively to provide responsive support, expert guidance, and consistent nationwide service delivery. Their commitment and expertise are what drive our continued growth and reputation in the industry.
